

If You Let It

[Verse 1]:

C E7
Don't close your eyes ,
F C
Yes it's early I know
E7
Kiss your teddy good-bye,
F G
Then roll up and let's go
C E7 F C
You may not feel excited or ready just yet
F
But a new day's beginning
G C
It will come if you let it.
C E7
A seed for our garden
F C
Yes I know that it's small
E7
But like magic, with water
F G
It will one day be tall
C E7 F
Dig a hole, place it gently, and sprinkle it wet
F
And I promise with patience
G C
It will grow if you let it

[Chorus]:

E7 F
Ohh ohhh
C E7 F
Yes, I know it don't go like you plan it
C E7 F
Paper dreams, movie screens like you want it
C G
But it's more fun if you've won when the
E7 F
credits are done
C G
It will come
C
if you let it.

[Verse 2]:

C E7
Baby don't cry
F C
Yes, it hurts now, I know
E7
But I'll kiss it all better
F G
Together we'll show
C E7 F
Them that falling won't stop us from still
getting up
C F
It will sting for a while, but
G C
It heals if you let it
